

# NUTRITION & FOOD SCIENCE

## Associate of Science degree

### Program and Career Description:

This degree allows students to complete requirements for the first two years of a traditional 4-year didactic program at traditional 4-year universities in Tennessee. Four year programs in dietetics do have small differences among the various Tennessee universities, so there may be some additional requirements when transferring to a particular Tennessee dietetic program. Students should check with their advisor for details.

### How is the Job Market?

Check out [www.jobs4tn.gov](http://www.jobs4tn.gov) website for information about job descriptions, education requirements and abilities, and supply and demand for these careers. For additional information from a national perspective, go to Bureau of Labor Statistics, U. S. Department of Labor website at [www.bls.gov](http://www.bls.gov). Visit the [Occupational Outlook Handbook](#) on this website. Salaries are not guaranteed.

### Transfer Options

This program is a Tennessee Transfer Pathway (TTP) major. A student who completes the associates degree in this major is guaranteed that all required community college courses will be accepted in this major at the transfer institution. To see which four-year institutions offer this TTP major and guarantees a seamless transfer, visit the Tennessee Transfer Pathway website at [www.tntransferpathway.org](http://www.tntransferpathway.org).

Transfer agreements exist between other private and non-TN public institutions. These agreements are available at [www.columbiastate.edu/transfer-information](http://www.columbiastate.edu/transfer-information).

### Requirements for Graduation include:

- earning 25% of total program credits in residence at Columbia State.
- earn a cumulative GPA of 2.0 or higher.
- taking the Exit Exam.
