

PHYSICAL EDUCATION

Associate of Science degree

Program and Career Description:

The Physical Education emphasis is a two-year program for students planning to complete a bachelor's degree at a four-year school. P. E. is not just about push-ups and sit-ups anymore. The discipline has taken on a more all-inclusive approach that encompasses physical, mental, social growth and well-being. Learning how to take care of yourself and incorporating physical activity in your life is a benefit that will last a lifetime.

Note(s):

*Students who intend to transfer to UT Martin should take one fine arts class and one humanities class.

**Students should confer with their advisor or a representative of the university to which they intend to transfer to determine the recommended history courses. Students who intend to transfer to UT Knoxville should take 6 credit hours of a non-U.S. History sequence to fulfill the History requirements.

***TTU recommends BIOL 2010 Human Anatomy and Physiology I. MTSU requires two different sciences.

****Students who intend to transfer to MTSU or U Memphis do not need to take this course. Instead students are encouraged to take additional physical education activity elective courses.

*****Students who intend to transfer to TTU should take EDUC 2210 Educational Psychology and an additional 4 credit hour Natural Science course with lab that completes a Natural Science General Education sequence.

UT Knoxville does not offer physical education as a teach licensure program.

Check www.tntransferpathway.org to see which four-year institutions offer this TTP major. Students should meet with their assigned advisor to determine courses required for the university chosen.

Students and advisors should run a degree audit from myChargerNet each semester to confirm classes are applicable to the program of study.
